

Christ Church Cathedral School Newsletter

February 16, 2017

Dear CCCS Parents & Guardians,

I received some great news today; the courthouse lawn playground project is moving ahead well and they have tentatively scheduled March 17 as the playground assembly date! This is right in the middle of our Spring Break and it is when they'll be calling for volunteers for a work party. I was hoping the School would be well represented but I realize that date could present a problem for many in our community. I will let you know as soon as I hear the date is confirmed or has been changed. I know our students will be eager to see which of the elements they selected made it into the final design.

Next Friday we are opening our doors to the community once again. If you know of anyone who might be interested in finding out more about Cathedral School, be sure to let them know we have an Open House on Feb 24th! If any of you have the afternoon of February 24th or part thereof free, it is always nice to have a couple of parent ambassadors to help the students lead tours of the school. Just drop me a note if you are interested. Your personal testimonials are the strongest advertising we have.

Yours,

Get Ready for Green Day! Thursday, March 9th

The green team is trying to bring awareness to the three Rs. There will be fun activities at lunch recess including: Face Painting / Recycling Relay / Jump Rope / Chalk Drawing.

How green can your class be? The all-school challenge is for each class to make something useful from recycled materials. Please put your masterpieces on the front ledge. Your class will be judged on creativity, amount of recycled materials used, and usefulness. A little bit of effort can change the world!
