Dear Parents and Guardians,

I want to express my deep appreciation for everyone's participation in last evening's meeting about Cool Aid's proposal to house 101 homeless people in the Mt. Edwards building next to the school. It was an intense and passionate meeting with strong, clear views shared by many. Thank you for your perspectives and for listening respectfully to each other's viewpoints. Last evening was our first step together toward a fuller understanding of this proposed development and there is still much to learn. The School's Board of Directors was in attendance and the Directors listened carefully to your views and questions and to Cool Aid's responses. The Board will be meeting at the beginning of the week to further consider this important information. The facilitators will send me a report as soon as possible that I will share with everyone. I will be in touch again soon about this significant matter that concerns all of us at Christ Church Cathedral School.

Yours,

Stuart Hall

Tanna, Vanuatu Film

Hi,

We wanted to let you know that a beautiful movie called "**Tanna**" which was filmed on Tanna, Vanuatu will be playing at the **Victoria Film Festival on Tuesday February 9th at 7:15 pm** at the Odeon Cinema at 780 Yates Street. We were living on Tanna during the filming, had the pleasure of knowing the film maker and director and have seen an early version of the film. We can attest that it is a spectacular movie – it has already won several awards at international film festivals, and ViVa is thrilled to help bring the movie to Victoria for people to enjoy!

Tickets can be bought on-line at:

<http://www.victoriafilmfestival.com/>

Tuesday, February 9 at 7:15 pm at the **Odeon Cinema #1**. The film isn't classified by the BC government, so one must be at least 19 years of age. Tickets are \$10.50 + \$2 online service fee + \$2 VFF membership. The movie is expected to sell out, so get your tickets early. It is suggested to arrive 30 minutes ahead (unless you aren't fussy about seating).

Following the movie, we have reserved the private room downstairs at **The Mint Restaurant** so anyone who is interested in discussing the movie can enjoy a bit of food and drink, and we will also Skype with Bentley Dean (the film-maker) in Australia. The Mint is a beautiful Nepalese restaurant just two blocks away at 1414 Douglas Street.
