

# Christ Church Cathedral School Newsletter

January 26, 2017

Dear CCCS Parents & Guardians,

Now *that* was a busy week! We just finished our Kindergarten intake sessions and I am pleased to say we had a strong turnout this year. I am also pleased to note that almost all potential new families told me they found us because of a personal recommendation by a family currently enrolled at CCCS. Parents are very careful when choosing a school and they have clear criteria to guide them through that process. At the top of most lists are a strong sense of community and that special feeling of being welcomed and accepted for who they are. This is the message people are getting from our current families. So, thank you for helping us spread the word!

Next week 20 students from grades seven and eight are heading off to Quebec City for the winter Carnival! They have been preparing for this cultural adventure for more than a year and are ready to apply the French they've learned with Mademoiselle Gair to real life situations. *Est-ce-que je peux avoir de la poutine, s'il vous plait?* I know they'll have a bon voyage!

Yours,
