Dear Parents and Guardians,

Next Thursday, our grade eight students will graduate from Christ Church Cathedral School. We could not be prouder, for they have been a wonderful cohort of students; role models to our younger students in so many ways. They are ready and able to take their place as leaders, achievers, and team members in the city's high schools. Many of these students have been with us since Kindergarten and we will really miss their smiling faces and their kind ways. There will be much more to say about these wonderful CCCS grads at their ceremony on June 23, so please feel free to join us as we celebrate their accomplishments and send them off on their journey.

Last week's Spring Concert was, as I've been told by many parents, "the best ever!" The new format allowed the younger students to perform early in the evening and we think this was a great move. I was once again amazed at how our music teachers are able to draw such quality performances from our students. We will continue to dedicate substantial curricular time to our music education program as we believe music should be an essential and significant part of our children's world. I believe it will open up a pathway to music enjoyment for the rest of their lives.

We celebrated the retirement of Judy Hodges (grade 2) and Linda Trevena (grade 4) at Monday's assembly. The open mic "I remember when ..." session was particularly enjoyable. Mrs. Hodges and Mrs. Trevena have served our students and families very well over the years and will truly be missed by all. At next Wednesday's final chapel service, we will celebrate the other staff who are leaving the main school – including Brodie Burt and Aisha Mullen, as well as those leaving our JK – Miss Crystal and Miss Flight.

With school ending, our summer programs are beginning. Lux Mundi day camps hold the promise of a renewed daily schedule with more crafts and activities along with the daily field trips. Our technology camps are back by popular demand as are our two Techies, John McIntosh and Jacob Varro. We are introducing sports camps this year, led by a few 'real athletes', Cody Fitzsimmons – elite soccer and baseball player at local and national levels, Ali Szwender – a CCCS Alumni and a Dalhousie soccer scholarship recipient, and Olivia Trotter – also a CCCS Grad who is heading off to McGill University this fall on a soccer scholarship. Olivia has also been recognized for the highest achievements in both sports and academics in high school. Finally, we are kicking off our first ever Theatre Camps led by our new Religion teacher who will begin this fall, Kate Newman. There is definitely something for everybody in the summer program lineup at Cathedral School this year.

This weekend we have our 25<sup>th</sup> anniversary celebration evening. With over 110 people attending, it is going to be a wonderful celebration of who we are. Then on Sunday morning at 9:15AM, there is a family worship service at the Cathedral followed by a BBQ on the Deanery lawn with games too! Hopefully you can join us. I also look forward to seeing many of you at our final school events next week. Then our students will be off on a well-deserved summer vacation. I hope you too get some time to relax with your children.

When you return in the fall, you and your children can look forward to the full implementation of BC's new curriculum and an upgraded reporting system that will provide more timely and complete information to you as parents. In addition, we will introduce stronger integration of technology in a number of classes. As always, we will continue to strive for excellence in sports, academics, and the arts while helping our students be caring and contributing world citizens.

For those of you who are leaving CCCS, we wish you all the best.
