

CCCS Parents Support Group

March 30th, 2017

fundraising

The PSG is offering a Mother's Day Plant Sale through Hilltop Greenhouses. The order form was sent home with the students before the break. If you can't find it, no worries, it is included with this newsletter. Please have your completed order form with payment into the office no later than end of school day Friday March 31st.

We are having a Purdy's Easter Fundraiser. The catalogues were sent home before the break. Please order online by going to <https://www.purdysgpp.com/join/23043>. Final order date is March 30th. If you have pending orders in the system, they also need to be paid for

FündScrip
Where shopping
is fundraising!

Supporting the PSG through gift cards is available year-round. Go to www.fundscrip.com/login, click on the Support a Group button on the top right and enter group invitation code 7BM8B7

Please don't feel compelled to participate in these fundraising ideas, if they don't work for you and your family but please do feel compelled in supporting the school through the PSG by alternative means, such as volunteering your time and/or donating money. This year we are hoping to help the school upgrade their audio-visual equipment, which will dramatically improve school performances, events & assemblies and remove the financial burden of having to rent this equipment for those very same events.

To make a online donation through credit card, please click [here](#). Please put either Easter A/V Fundraiser or Mother's Day A/V Fundraiser in the comment section, so the school can track the donations. All donations \$20+ will receive a tax-deductible receipt. Thank you for your support!
