PSG News & Updates

The PSG is installing an Earthquake Early Warning System in the school. It is an innovative system that may very well give the school a few extra minutes head's up to ready themselves, when an earthquake is about to hit. For more info on the system, please visit their Facebook page:

Please visit the new PSG website. Here you will be able to browse everything PSG, including old PSG Posts, find out who your class rep is, etc.... It is only in it's infancy, so any input is much appreciated. You can view it here:
