

Christ Church Cathedral School Newsletter

February 27, 2019

Dear CCCS Families,

I am very pleased to let you know we have received an unprecedented expression of commitment to our school with 98% of eligible students planning to return next fall. We are in the process of bringing in new families to fill those few spaces still available. As always, we try our best to maintain a balance in the classroom in order to ensure a positive learning environment for everyone. Thank you for getting those re-registration forms and deposits back to us.

I have some unfortunate news to share. We had a flood in the library over the weekend and the water flooded the library floor and then dripped into the kitchen below, damaging the ceiling and walls. We have the remediation team working here this week and the library will be OK by the end of this week, but the kitchen will not be fully functional next Tuesday morning for Shrove Tuesday. In order to ensure the world keeps turning as it should, we are going to come with an alternative to pancakes and will have a special presentation about lent at our Monday assembly. So, if you were planning to come in to flip pancakes early on Tuesday morning, you can reset your alarm and catch a few extra minutes of sleep.

Yours,

Spring Break Blast Off With Piano!

March 18 - 22, 2019 | 9:30am - 11:00am at CCCS

Join Mrs. Erickson for Spring Break Piano Camp!

For students new to piano, this is a "quick start" - beginners are absolutely welcome. For students that already have music experience this is a "Book Blast"! This camp helps to reinforce their existing knowledge as well as to 'blast ahead' in their piano book.

Each class consists of piano time, activity worksheets, games, and group music activities.

Class is \$115 for the week, which includes materials.

Start on the path to music or 'blast ahead'!

To register or for more details please email Mrs. Erickson: kathy.erickson@cathedralschool.ca

West My Friend: CCCS students were treated to a fantastic performance last Friday of *West, My Friend* by KBAM (Kevin Bruce Arts Management). Through guided listening and lots of participation, students learned about how the songs were created and found that they have song writing skills themselves!
