

# Christ Church Cathedral School Newsletter

June 12, 2019

Dear Parents & Guardians,

Spirit Week has been a real hit with our students – and how could it not be? Monday's Beach Day, a Gaga Ball tournament on Tuesday, and Wacky Wednesday have conspired to raise the energy levels at Cathedral School. Meanwhile, our middle school students are still working hard to complete their final term projects, while the grade eights are preparing their valedictorian speeches, which they'll present to their classmates on Friday and choose two finalists who will present at their graduation next week. Such an exciting time!

On Monday we will have our final assembly where we'll celebrate the kindergarten students' successful completion of their first year at "the BIG school". On Wednesday at an early chapel service we will celebrate our Junior Kindergarten students who are moving on to kindergarten and we will also say *au revoir* to all staff and students who are moving on next year. Then on Thursday at 10:00 am our graduation ceremony will take place in the Cathedral. Everyone is welcome to all three of these special events.

As we draw closer to the end of the school year and before everyone disperses for the summer or to other parts next fall, I want to thank our parents for the support you have shown this year. Cathedral School is doing very well and we would not be the wonderful school we are without you and your children. I hope those of you who are moving on will stay in touch with us. We have learned and grown together over the years and you have helped shape who we are and in this way you will continue to influence future generations of Cathedral School students.

Sincerely yours,

**Weekly Calendar:** For up to date calendar information, see the school's website:
