MESSAGE FROM THE HEAD OF SCHOOL

Dear Parents and Guardians,

Welcome to Christ Church Cathedral School. By bringing your son or daughter to CCCS, you have become part of a unique learning community. As Head of School, it is both my good fortune and honour to work with a dedicated and inspiring team of teachers, educational assistants, and support staff. Everyone here at CCCS has your children's best interest at heart. As parents, you have an integral role to play in the success of your child here at our school. I encourage you to contact your child's teachers whenever you have a question or concern. When your son or daughter knows that you are working together with their teachers for the same goals, home and school values align and create a very positive environment for school success.

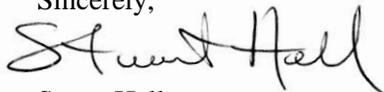

We are very proud of the variety and scope of the programs offered at Christ Church Cathedral School. Our compassionate and professional educators provide a broad range of programming for your children. They strive to challenge all of their students in the classroom and in our exciting co-curricular activities. We have developed a character-building ethos of service and leadership and help our students learn healthy self-expression through our Fine Arts programs. We expect all our students to try their best academically, and it is no surprise to us that they accomplish so much. Our clear expectations for behaviour in and out of the classroom have enabled us to create an environment where students learn and play knowing they are safe and respected as individuals.

More than just a great little school, CCCS is a grand and expanding community. From its inception, people in Victoria have worked together to create a school that challenges and supports children in their learning while also helping them to develop their spiritual side. As the only Anglican Elementary and Middle School in Victoria, our community encompasses the Christ Church Cathedral and reaches beyond to the Anglican Diocese of British Columbia.

As parents, you too are an integral part of this community. We depend on you for your enthusiasm, your ideas, and your support. When curriculum changes or new resources were needed, when our building needed expansion and upgrades, when the playgrounds were built, when we required a new bus, we have relied upon the generosity and commitment of parents to continue to make Christ Church Cathedral School the best little school in Victoria.

I hope you will find this handbook informative and expressive of the wonderful community of learning that has evolved here at CCCS and I look forward to working alongside you and your child this coming year.

Sincerely,

A handwritten signature in black ink that reads "Stuart Hall". The signature is written in a cursive, slightly slanted style.

INTRODUCTION

Christ Church Cathedral School is the elementary and middle school ministry of Christ Church Cathedral. The School was founded in 1989 and is fully accredited by the Ministry of Education as an independent school.

CCCS emphasizes the spiritual, intellectual, physical and social development of the whole child, excellence in education and the growth of personal responsibility and self-discipline. The School welcomes girls and boys from Kindergarten through Grade 8. We operate a full day kindergarten and offer before and after school care (Lux Mundi), and the Lux Mundi all day care program during school holidays. The Christ Church Cathedral Educational Society also operates the Christ Church Cathedral Junior Kindergarten in their facility at 520 Niagara St in James Bay. The Junior Kindergarten Program is open to children aged 3 and 4 years old. Details on the JK are available on the School website (www.cathedralschool.ca) and in the JK version of this handbook.

The Purpose of the School

The purpose of the School is summed up in its Mission Statement:

“To provide a stimulating, challenging and supportive environment for each child to learn, grow and live in the Light of Christ.”

The Principles of the School

The Principles of the School are summed up in the following Statement of Core Values:

- **Guided by our faith, we commit to serve our School, our community, our country and the world.**
- **We respect and celebrate others for their unique talents and character.**
- **We pursue excellence in our studies to the very best of our abilities.**
- **We take responsibility for our own actions while being generous in forgiving others.**
- **We value the diversity of cultures, nationalities and religions.**
- **We are mindful of our role in caring for God’s creation, especially our environmental responsibility.**

The Pillars of the School

These Pillars provide the support for the work of the School in carrying out its Purpose:

- **OUR ANGLICAN CHRISTIAN IDENTITY**
Through our Anglican Christian tradition we seek to practice the values consistent with our faith and to enrich the life of our community.
- **THE PATHWAY TO LEARNING**
Our curriculum and teaching are designed to develop the whole person, and provide the skills and values necessary for success in higher education and life in society.
- **COMMUNITY**
We foster an inclusive environment where every member of the community (children, teachers, families, school and parish) is valued and respected.
- **LEADERSHIP**
We promote an atmosphere of responsible leadership through all aspects of school life. We stress accountability, integrity and honesty.

The motto of the School is “Lux Mundi” (*The Light of the World*)

It speaks of the Light of Christ and the light of learning. We are encouraged to
“...bear witness of the Light” in all we undertake.

It also means that we expect everyone in the
Christ Church Cathedral School community
to put their best side forward, thus making the world
a better and brighter place.

Join us as we learn to *Shine Our Light* on the world.

GOVERNANCE and ADMINISTRATION

The Board of Directors

- The Board of Directors of the Christ Church Cathedral Educational Society, a non-profit society operating in conformity with the BC Societies Act, has overall responsibility for the Purpose and Policy of the School. Through their regular meetings and through their committees they chart the long-term course of the School.
- The Head of School, responsible to the Board, carries out the Purpose of the School with the help of all other members of the School community. The day-to-day operations of the School, the financial administration, the hiring of staff and the setting of the curriculum are all part of the duties of the Head of School.

The Board of Directors

The nine members of the Board of Directors are elected or appointed according to the constitution at a Special General Meeting of the Board, which is held in May. The Annual General Meeting of the Board is held in October, when the financial report for the year is given to the Society and any unfilled positions on the Board can be filled according to the constitution.

One board member is a parent elected by the PSG in September or October. All board members serve a three-year term and must stand for re-election thereafter. Parents are also elected by the PSG as representatives for their classroom. This person is required to represent his or her son or daughter's classroom. Please consider becoming a part of the Parents Support Group to support your child's classroom. The names will be published in the newsletter and on the School's web site. www.cathedralschool.ca

For the beginning of the 2011 - 2012 academic year, the Board members are as follows:
Chair—Mrs. Mary Hendy, Vice-Chair –Dean Logan McMenamie, Heather Chia, Joanne Glover, Derek Greer, Bruce McKinnon, Phil Saurette, Glen Seredynski and Jean Walters. Curriculum

The curriculum at Christ Church Cathedral School follows the complete range of subjects, programs, and assessment and evaluation procedures outlined by the British Columbia Ministry of Education. Regular Ministry inspections ensure our compliance with the Provincial curriculum. The School also goes beyond the requirements of the Provincial curriculum in various ways:

- Weekly sessions of religious education, with a chapel service every Wednesday in the Cathedral and prayer in assembly and at the beginning of the day to support the spiritual growth of the children.
- French at every grade level from Kindergarten onwards.
- A Music specialist at every grade level from Kindergarten onwards.
- A strong emphasis on drama, visual arts and public speaking.
- Clubs and extra-curricular activities (swim club, squash, weight lifting and aerobics, gymnastics, noon hour intramurals and much more)
- Service and leadership opportunities such as our Peer Helpers, Student Council, and a variety of outreach projects.
- Advanced technology to support learning in every grade 1-8 classroom.

The School provides a well-rounded curriculum designed to encourage the development of character, imagination, creativity, critical thinking, physical fitness, an open and receptive mind and a spirit of responsibility and service. Classroom work is supplemented by field trips, visiting speakers, regular use of the library, and the development of research skills using texts as well as computers. Teachers give as much individual attention as possible, which is made easier by the small classes. They take into account the children's different learning styles, and students needing some extra assistance are able to work with our Learning Assistance teachers or our educational assistants. Children with Special Needs have an Individual Education Plan (IEP) and we work very closely with parents to help those children who may need some extra assistance in certain areas.

The School is constantly working on curriculum development and the teachers are required to keep abreast of best practices by attending regular professional development sessions.

We outline and further explain the School curriculum at a curriculum evening held for parents in the early days of September.

Absences

If your child will be absent, please call the School before 8:30 a.m.

To qualify for government funding, students must be in attendance for 135 days of School from September to May 15th. Absence due to illness is not deducted from the 135 days. A student who, because of holidays or other reasons, is in attendance for less than 135 days, qualifies only for partial funding. Parents are expected to make up the difference in funding for such students.

The School must be notified immediately when children have communicable diseases (see "Communicable Diseases" on page 28). Also please let the School know immediately if your child has a case of head lice.

If a student is absent due to illness, the teacher will work with parents and make the required adjustments to assignments. In the case of prolonged illness, the School will make arrangements, to the best of our ability, to help keep the child on track. We do not encourage the practice of taking children on vacation during school. If this is completely unavoidable, please let us know well in advance and we will discuss ways to minimize the loss of educational continuity. When your child returns to school, we will encourage him or her to share the experience with classmates.

If a student is frequently absent or late, his or her success at School will suffer considerably.

The first few minutes of the day serve to set the tone and expectations for learning. It is also when your child orients his or her mind to what lays ahead. Missing this opportunity is like getting up on the wrong side of the bed. We ask that you get your child to School on time and insist on attendance unless they are ill. If your child is ill with a cold or flu, please keep him or her at home so as not to spread common illness or infection.

Homework

Homework: recording it, taking home the necessary supplies, doing it, keeping it organized, knowing when to ask for help, and handing it in. These are complex skills that students develop gradually over the elementary school years. Eventually, hopefully by the time they enter High School, they learn to manage their homework independently.

The time required for homework will increase as a child moves up through the Grades. Students in the highest Grades can expect about 40 - 60 minutes of homework per day, and those in lower grades about 20 minutes. Parents may like to supplement homework with reading to their child. Parents should keep in close touch with the teacher if their child is having problems with homework or if it seems to be taking too long to complete. This feedback is essential as it may indicate that we need to re-teach a concept and it helps us to structure an appropriate program for your child.

Usually, with a few exceptions, homework will only be assigned on weekdays. It may consist of the completion of work begun in class, a specific assignment to provide enrichment, the reinforcement of concepts taught, further skill development, or a preview of the next lesson. Sometimes the task is one that can be completed only at home; interviewing parents for example.

Children in all grades will have a homework book or agenda. Please check it regularly and use it to communicate with the teacher about assignments. If your child has not been able to complete assigned work, please advise the teacher through the homework book.

Generally, we suggest that parents limit their role to one of support and encouragement. The first order of support is to establish a consistent time and place to do homework. A place relatively free of distractions like TV or the phone, that is tidy and well-lit is a good start. Consistency in this routine will help a child understand that there are clear expectations he or she can and will do the tasks. If your child is having difficulty getting started, you may wish to help with the first few questions and then let your child know that you have confidence he or she can complete the rest. If further help is required, try to give it in small doses and then back away with a statement such as “you seem to understand it now, try a few on your own and then show me”. Again, you are giving the message that your child can understand the task and do the work.

Extra-Curricular Programs

We offer many programs that function outside the classroom to enrich the lives of the students. At Christ Church Cathedral School we place an emphasis on Community Service. Our

relationships with Mt. Edwards Court on Vancouver Street and the Rainbow Kitchen help bring this to life. In addition, we financially support several charity initiatives while educating our students about the reasons we need to support others and the cause of some of the hardships.

We host many clubs and extra-curricular activities throughout the year. Some of these may include the following: chess, computers, concert choirs, French club, outdoor education, charity walks and runs, soccer, volleyball, basketball, squash, badminton, running, recycling, gardening, drama, public speaking, rowing, swimming and skating, just to name a few. Extra-curricular programs may operate after school, during the lunch hour, as part of a field trip or, in the case of some occasional choir activities, during the evening or a Sunday morning.

With reference to any activities scheduled outside of regular school hours, including those evening and Sunday activities, it is very important that students are “there for the team”. We will endeavour to give you as much notice as possible; in return **we ask for your cooperation in ensuring the students attend.**

Student Records

The School keeps records on all students and the Board of Directors has formulated a policy that reflects best practise guidelines laid down by the Federation of Independent Schools Associations and the Ministry of Education. It covers all aspects of student records and specifically:

1. **The Permanent Student Record:** required and optional contents; Form 1704 inclusions, completion, currency and format; and retention.
2. **Additional Student Record Items:** required and optional contents; sensitive information.
3. **Access and Disclosure of Student Records.**
4. **Transfer of Student Records.**

We ask that you sign a form included with the registration forms that explicitly states how we intend to use and keep these records and that we will not use them for any other purpose than that which is stated.

This policy is on file in the office and is available to any parents who may wish to consult it.

EXPECTATIONS

September 1, 2012

Dear Parents, Teachers, and Support Staff,

Christ Church Cathedral School is a place where students, staff and families must feel safe and cared for. We all need a safe, caring and orderly environment if we are going to effectively learn, work, play, and teach together. Over the years, students and staff at Cathedral School have learned to “*work hard, be kind, and love God*”. Again this year, we will restate those simple yet important lessons and add one more clause, “be safe.”

In an effort to ensure clear understanding by our students, parents, and staff, we have created this brochure. These ideals, this “code of conduct” is not really new; we did not invent the ideas, expectations, or phrases scribed herein. I would like to thank teachers and principals across Canada who are also striving to clearly state their expectations for student behaviour. In particular, schools in the Sooke School District have done a lot of work in this area and some of their ideas are contained in this document.

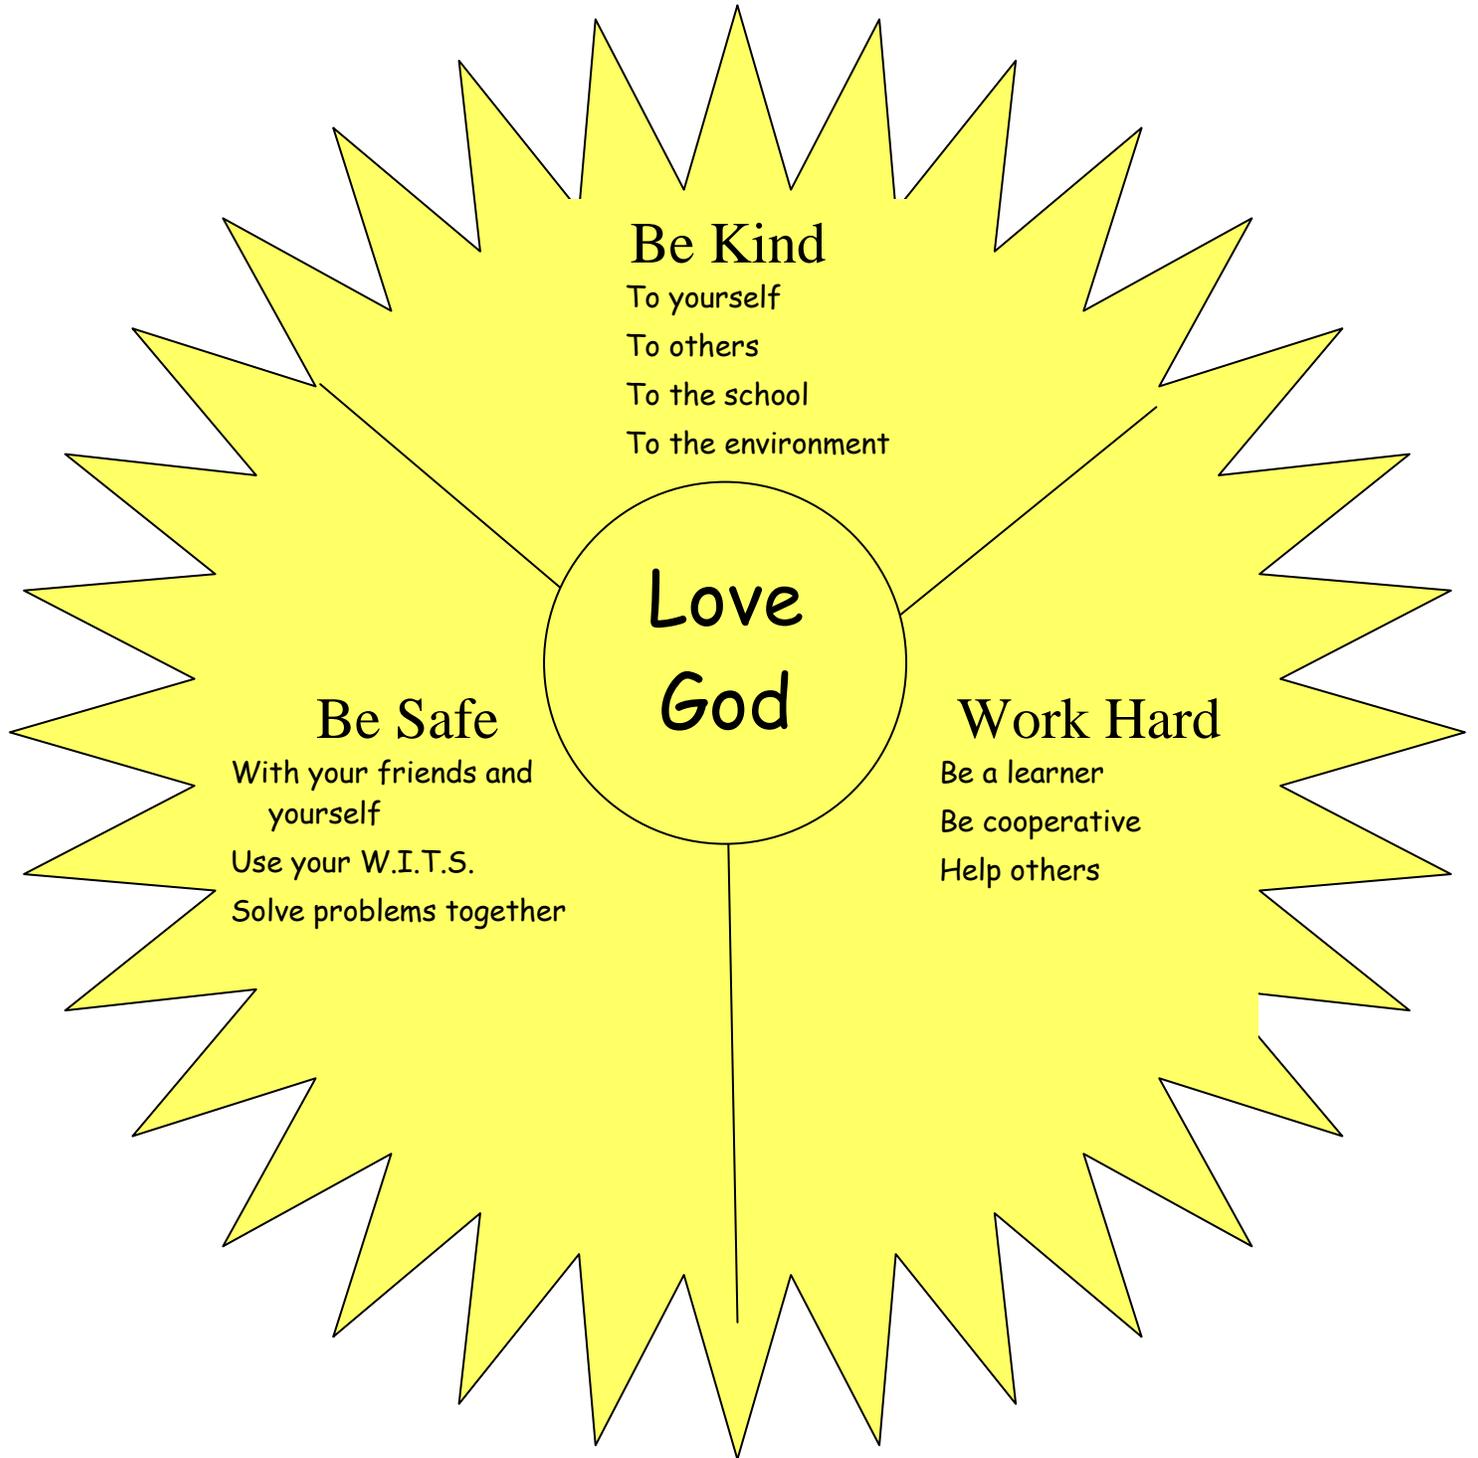

I hope you find this information helpful and I would be pleased if you would discuss it with your child. Your support is important to us. We will continue to ask you and/or your child to sign a “Commitment to Christ Church Cathedral School” as an indication that you understand and support our expectations for behaviour at the School. The rest of the section on “*Expectations*”, although quite lengthy, supports and further clarifies our expectations for positive behaviour at Christ Church Cathedral School.

If you have any questions or comments, I would be pleased to hear from you.

Yours,

Stuart Hall
Head of School

11. To be supportive of each other, the School, and the parents, who are the first educators of their children.

Student Conduct

The Principles outlined in our Statement of Core Values (see page 3) lie at the heart of what we expect from our students.

We set clear boundaries in the belief that children are happiest and achieve most when they understand the expectations for behaviour and can begin to develop a sense of self-discipline. We encourage our students to be honest and to take responsibility for their own actions. Our students can expect to be treated with respect and educated in a manner that acknowledges their diverse character and talents. Reciprocally, our students must learn to respect the diverse character and talents of others. They will know the consequences of their actions because discipline will be consistently and fairly applied. They will know about their achievements and improvements because we will give them positive encouragement and recognition.

In the event that children overstep the boundaries, we ask for the support of parents in the measures we may take. When necessary we will contact parents to involve them in the disciplinary process (please see below in the document “*My Commitment to Cathedral School*” for further details). All serious incidents will be thoroughly investigated and we ask for understanding in those cases where it proves difficult or impossible to ascertain the facts. In these cases, we use our best judgement and act accordingly. In the case of uniform infractions, a ‘uniform slip’ will be sent home with the child after the second infraction. If the child is still not correctly dressed, we will call the parents to rectify the situation by either taking the child home or by bringing the correct uniform items to the School.

In order that every child should understand the expectations and responsibilities of students at Christ Church Cathedral School we have prepared a form entitled “*My Commitment to Cathedral School*” which we ask students and parents of children in grades 3 to 8 to sign and return to the School. We ask parents of children in grades K to 2 to explain and reinforce these commitments, and to sign on behalf of their children and return the form to the School. The School, of course, will be constantly referring to these commitments. A copy of “*My Commitment to Cathedral School*” is kept on record and is included in this handbook for reference.

Further principles that guide us in determining the consequences for unacceptable behaviour are:

1. Expectations for students should be consistent but consequences may vary depending upon the age of the student, the offence and the circumstances.
2. The necessity to make some kind of restitution to the person or property that has been wronged.
3. The necessity for the child to learn from the consequences and not repeat the offence.
4. The overall need of the School community to feel that the incident or offence has been properly dealt with and that serious issues are treated seriously, yet fairly.

In all disciplinary actions, we are obliged to follow the principles of ‘procedural fairness’ as set out by the Federation of Independent Schools in their document “*Procedural Fairness Best Practice Guidelines for Independent Schools*”. Accordingly, the Board of Governors has an Appeals Policy that provides a channel for an appeal if parents feel their child has not been treated according to those principles. The Appeals Policy is available at the School for those parents who wish to avail themselves of it.

My Commitment to Cathedral School

The ‘Purpose’ of Christ Church Cathedral School is “To provide a stimulating, challenging and supportive environment for each child to learn, grow and live in the Light of Christ.”

I will help the School to carry out that purpose. Therefore:

In class:

1. I will participate and do my best.
2. I will bring everything I need.
3. I will hand in my work on time.
4. I will make sure that my activities do not prevent others from learning.
5. I will help my classmates and the teacher.
6. I will be respectful of the teacher and teachers’ aides

Outside:

1. I will stay on the school premises at all times.
2. I will play in a way that does not harm others, either verbally or physically.
3. I will dispose of my litter in the bins provided. I will recycle!
4. I will line up quietly with my class at the end of recess.

Around the School inside:

1. I will walk in the corridors.
2. I will respect the school property and the property of others.
3. I will leave the washrooms tidy and pick up after myself.
4. I will not go into classrooms, the library, the gym, the staff room, the auditorium or the school office unless accompanied by an adult or there is already an adult in the room.

In Chapel:

1. I will make sure that my behaviour is respectful of the place and the occasion.
2. I will participate in the worship to the very best of my ability.

At lunchtime:

1. I will eat quietly and clean up after myself.
2. I will not share food.

After School:

1. I understand that the same standards of behaviour apply at all times, both in school and in Lux Mundi after school care.

At all times:

1. I will arrive at school on time.
2. I will wear the correct uniform during the school day and while travelling to and from school.
3. I will be polite to adults and my peers and follow the instructions of my teachers.
4. I will not use electronic handheld devices without prior permission and further, I understand that cell phones may not be turned on during the School day without explicit prior permission.
5. I understand that the use of or provision of alcohol, tobacco or illicit drugs or bringing weapons to school is not only illegal but also strictly forbidden at School. An offence of this nature makes me liable to expulsion from school.

If I do not live up to these commitments, I understand that the following sequence of events will take place:

1. The teacher directly involved will take whatever steps are necessary to deal with my specific situation in a suitable manner.
2. If the teacher cannot bring about a change in my pattern of behaviour, I will be referred to the Assistant Head.
3. If further action is needed my parents will be called in to discuss the situation with the Assistant Head and/or the Head of School and me.

I also understand that the following offences are very serious:

- verbal or physical violence or fighting
- any form of bullying or harassment including social bullying, 'cyber bullying', and ganging up on another student
- theft
- vandalism
- wilful disobedience or disrespect

These will be dealt with in an appropriate fashion, starting at Step 3 and continuing as follows:

4. I will serve a 1 day in-school suspension
5. I will serve a 2 day in-school suspension
6. I then become liable to an external suspension not exceeding 2 days. External suspension is a very serious consequence and any child suspended externally may be liable to expulsion from the School if the same offence is repeated.

I understand that students have a right to be in school, but it is also a privilege. If I abuse that privilege, I will gradually lose it. Suspension only occurs after I have chosen to misbehave.

(Note to parents: this is a Progressive Discipline Plan that delineates the negative consequences that may occur because of poor behaviour. Positive intervention can and should occur at any one of the steps listed above.)

I also understand that being honest and taking responsibility for my actions is my first duty.

Notes on Bullying and Harassment

A Definition of Bullying

Bullying is a *repeated pattern* of aggressive behaviour meant to hurt or cause discomfort to another person. Bullies always have more power than victims do. Their power comes from physical size, strength, numbers, status, and support within the peer group.

One-time or very occasional acts of aggression, name-calling, or social exclusion *do not constitute bullying* and are treated as “incidents” and dealt with accordingly.

There are three types of bullying:

Physical, where a person is repeatedly harmed or their property damaged

Verbal, where a person’s feelings are repeatedly hurt through insults and name-calling

Social, where a person is repeatedly shunned or excluded from groups and events.

In our approach to incidents of bullying and/or harassment we follow the guidelines suggested by the BC Centre for Safe Schools and Communities.

Three principles guide us in our work with the children and parents:

- Developing and communicating to the whole School community a clear and firm set of expectations for behaviour.
- Presenting positive adult role models at all times.
- If unacceptable behaviour occurs, using consistent non-physical and non-punitive responses, which work best.

These approaches are covered in previous sections of this Handbook, e.g. under “Expectations for Teachers” we expect them to “...present a role model that will be an inspiration for the children.” In the section on “Student Conduct” we talk about ‘Procedural Fairness’ and in “My Commitment to Cathedral School” we set out our expectations for behaviour.

In case there is any lack of clarity around those types of behaviour we deem unacceptable, the following outline may be helpful to all in our community:

Unacceptable behaviour includes:

- **Any form of physical violence from any person or persons towards another person or persons.** Hitting, punching, tripping, throwing objects, head locking, twisting limbs, poking or prodding any part of the body. Because it is very difficult to distinguish ‘play fighting’ from real fighting and because these situation often escalate, play fighting is also unacceptable.
- **Any form of verbal attack.** Spreading stories, swearing at another person, name calling, insulting, drawing insulting pictures, writing offensive notes.
- **Any form of electronic bullying,** using the internet or email for verbal attacks.
- **Any form of discrimination based on gender, race, religion or sexual orientation.**

Reporting Student Progress

There are four formal reports to parents during the year, one in October, which is an interim progress report, followed by Parent/Teacher interviews (which we ask that all parents attend).

A fuller report goes home in November or December (followed by parent/teacher meetings only at the request of the parent or teacher). Another report is issued in March (followed by Student Led Conferences, which your children ask you to attend!). A final report goes home at the end of the School year. All the reporting documents focus on the progress your child has made—the strengths and weaknesses in his or her development and/or learning and the support strategies that will improve achievement.

During the school year there will be many opportunities for parents to speak with their child's teacher, and the teacher may make a request to speak with the parents. We also encourage parents to make appointments to discuss concerns between reporting periods. We believe very strongly in the partnership between parents and the School and consider that it is in the best interests of the child for the School and parents to keep in close communication. (Please see the section about email use on page 21).

Problems and Concerns

Our goal as a School is to be helpful and supportive to parents as they help and support their child. If your child is having problems at home, in the classroom or on the playground, please let his or her teacher know immediately. It is always best to speak to the teacher first, before taking concerns elsewhere. The best time for this may not be before school or immediately after school, as these are often busy and distracting times for teachers and it is not always convenient to discuss important things with parents at those times. However, if you call the School Office we can make an appointment or you can drop the teacher an email to set up a time to speak in person. The quicker an issue is resolved the better. We also must insist you bring the problem to the attention of the School before you speak about it with other parents. This will help alleviate miscommunication. The channels of communication are:

1. Speak with your child's teacher. She/he knows your child best and is best placed to resolve your problem or deal with your concern. Please do not believe the myth that if you bring up a concern with your child's teacher, she or he will 'take it out' on your child. That will not happen.
2. If the problem is not resolved, then speak with the Assistant Head.
3. Speak to the Head of School if the problem involves the School at large, or if you do not feel your concern has been acted upon or understood by the classroom teacher or the Assistant Head.
4. If you are still dissatisfied with how your concern has been handled, contact the President of the Board of Directors in writing.

It is our desire, with your help, to communicate closely, to deal with concerns on a timely basis and to act in the best interests of the children. Should we need to set up a meeting with you because of some concern regarding your child, we ask that you make yourself available to meet at the earliest opportunity.

Email protocol at Christ Church Cathedral School

Email is an excellent tool for the communication of clear business-like information, such as dates, times, lists of equipment, attendance reports, setting up appointments and so on. It is also a great system for delivering letters via attachments. Some teachers send out a monthly update as an email attachment and Bev delivers the School's newsletter in this fashion.

Email is far less efficient and can sometimes be counter-productive when used as a communication vehicle to solve complex problems or to state displeasure with how something has transpired. When email is used in this manner, miscommunication is often the result because much of what we communicate when face-to-face is non-verbal and without this component, the message can be distorted inadvertently.

Appropriate use of email:

1. The school uses email to communicate with individuals, groups of parents, or the entire parent body. Topics are likely to include:
 - a. Reminders about events, dates, times, etc.
 - b. Requests for a meeting
 - c. Classroom news and updates
 - d. Forms and other requests for information
2. If your child is going to be absent or late, a phone call to Bev works well. If you would prefer email, then send it Bev (cathedral@cathedralschool.ca) as well as to your child's teacher(s). Bev cannot always get to her email first thing in the morning and *cc-ing* the teacher will increase the likelihood of the information getting to its intended destination.

When not to use email:

1. If, as a parent, you are concerned or feel distressed about an issue, do not use email. Instead, please contact the teacher involved directly. A phone call or a face-to-face meeting will more likely lead to clear communication and a positive resolution for all.
2. If, as a parent, you have concerns that arise from interactions between students, once again, a phone call or face-to-face meeting with School staff will work better than sending an email directly to other students' parents.
3. If your regular after school pickup routine needs to change, for example, if you are going to ask a relative to pick up your child from afterschool care, then you must ensure that either Todd, Bev or one of the Lux Mundi staff hear from you directly- face-to-face or by phone. **Do not use email for this situation**, because the Lux Mundi staff do not have ready access to it and Todd may be off campus. Without this direct communication, we won't be aware of your wishes and may be able to release your child. This can create undue anxiety for everyone involved.

Response time:

4. Allow at least one full business day for a response to any email. For Part time teachers please allow two full business days. If parents need a quick answer, contact the teacher directly.

5. Teachers will not necessarily reply to every email regarding insignificant items or when small matters are resolved quickly, such as lost uniform items, PE strip issues, lates, appointments for Doctors through the school day, etc.

Note: Teachers and other School staff will use the Blind Carbon Copy (BCC) field for group emails. This hides email addresses and protects the privacy of the recipients.

Thursday Newsletter

The School Newsletter and other notices will be sent home by email, whenever possible. We will provide a paper copy to any parents who do not have access to email. We sometimes have difficulty ensuring that paper copies of notices reach home and we ask that you help your child develop responsibility in this area by establishing a routine or procedure—they could be handed to you as soon as your child reaches the car or they could be placed in a special location at home.

As much as possible we will ensure that notices, either by email or as a paper copy, are sent out on Thursdays. The Thursday Newsletter will also be posted on the website. Important information about school events is included in the Newsletter and we see it as a very vital part of our communication with parents.

Communication is a two-way process and we need to hear from you as well. If you ever feel that our communication has not been effective, or if you feel that you are not receiving adequate communication from the School, please let us know. We cannot improve in this area unless we know when and where improvement is needed.

Website

The purpose of our School website at www.cathedralschool.ca is not only to enable the public to find out about us, but also to be a useful means of communication with parents. A calendar, current events, newsletters and important information are posted on the website.

SECURITY and SAFETY

As the School has grown, we have adapted our security and supervision protocols. Recent renovations have increased fire and earthquake safety in the building and new measures have provided greater security for those who work and learn here. Regular Fire, Earthquake and Lockdown drills are conducted so that children are familiar with the procedures.

Procedure In Case of Earthquake

Memorial Hall underwent a very significant seismic upgrading in the summers of 2002, 2004, and 2011. Our building is now much safer in the event of an earthquake although much work remains to be done. If a major earthquake disables the city, please follow this procedure:

- **Do not phone** - We must have the line open for emergency calls
- **Park away from the School** - The street entrance and parking area must remain clear for emergency vehicles
- **Go to your child's class**
- **Check your child out with the adult in charge of the Checkout Centre**
- **Check out other children for whom you are responsible**

If the Memorial Hall is damaged and cannot be re-entered, the students and staff will be in the new section of the Cathedral (as it meets earthquake standards). If you cannot find us there, we will leave a map and note on the south door of the Memorial Hall (the door next to the playground) to let you know where we have gone. After regular school hours check the map and/or emergency release rosters for the location of your child. These will be posted on the door next to the playground. The staff have full details of what to do in case of earthquake and we have at least three earthquake drills per year.

Children will only be released to parents, guardians or other adults who are named on the *Emergency Information Form*. The children will not be left alone. If all efforts to contact the parents or the alternate emergency pick-up people have failed and after a reasonable time has elapsed, teaching staff will assume responsibility for children until contact with the families can be re-established.

Parents are required to purchase a comfort kit for their child through the school. All the kits are stored outside the building. The supplies in these kits have a shelf life of three to five years, after which parents are expected to cover the cost of replenishing the kit.

Procedure In Case of Fire

The School has a fire alarm system that is linked directly to the Fire Department. Heat and smoke sensors are located throughout the building and the building construction meets fire separation codes. In the event of a fire at the School during school hours, the children will be evacuated as per our fire drills and, if we are unable to re-enter the building, we will call you and ask you to come and pick up your child. We have a business continuity plan in case we are not able to use the building for some days or weeks, and you will be informed if we have to initiate that plan. The staff have full details of the fire evacuation procedure and we have fire drills at least six times per year.

Lockdown Procedures

The Victoria Police have briefed the staff on lockdown procedures. We have installed an intercom system throughout the building in order to alert the occupants in case of intruders. Should there be a lockdown at the School the police response will be very quick, given our proximity to the police station. The instant that a lockdown is ordered the police take command of the situation. Therefore, parents should follow the instructions of the police at that time. Please do not call the school as we will need to keep our lines of communication clear.

Building Security

The safety of the children in our care every day is our highest priority. We have outlined above the procedures in case of earthquake, fire, and lockdown. We have also adopted procedures to ensure that the children are safe at all times when they are in the building, on the playground or on field trips away from the School. Teachers are equipped with a critical incident response plan for incidents that may happen in the School or while on a field trip. Our teachers have First Aid and CPR training, (new teachers are trained within their first year). When they leave the building they take a first aid fanny pack or full first aid kit along with a list of emergency contacts for the children and a cell phone.

It is important that we have accurate knowledge of who is in the building at any time so that we are able to evacuate and count heads in the event of fire, earthquake or any other incident.

In order to control access to the building:

- The door from the playground into the Memorial Hall is closed to parents and students from 8:00 until 8:25 a.m.
- The door is open from 8:25 to 8:40 a.m. for parents who wish to attend assemblies, do business at the School office etc. but will then remain closed for the rest of the day, except when the children are in the playground under supervision.
- Parents and visitors to the School should use the intercom system at the Vancouver Street entrance and then report to the School Office. Please sign in and out in the office and sign your child out if you are taking him or her out of school during the day. Please do not go straight to your child's classroom. Lunches etc. should be delivered to the School Office.
- At 3:00 p.m., the door will be opened and is then closed at 4:00 p.m. The other doors into the building (from Vancouver Street and the Cathedral end of the building) are closed at all times.
- The playground gate in the corner nearest the Cathedral will be open until 8:45 a.m. and will then be closed throughout the day for playground security and opened at 2:45 p.m.

Supervision

- Before school supervision begins at 7:30 a.m. **Do not** drop off any children unless the gate is unlocked and the supervisor is present.
- Between 7:30 a.m. and 8:00 a.m. children will go into the supervised gymnasium space to play.
- From 8:00 to 8:25 a.m. the children are supervised on the playground.

- Recess is split; Kindergarten to Grade 3 are out from 10:10 to 10:30 a.m. and Grades 4 to 8 are out from 10:30 to 10:50 a.m. There will be at least two School supervisors on duty during recess.
- Many extra-curricular activities take place at lunchtime and the Library is usually open for children who wish to read or study. This reduces the number of children on the playground during the lunch hour. There are at least three School personnel on duty at this time unless a large number of students are away from the School.
- If a parent is present after school while his/or her child is on the playground, the child is under the supervision of the parent.
- All field trips are more than adequately supervised and parents are encouraged to volunteer for supervision.

Lux Mundi After-School Care

The Lux Mundi After-School Care Program is available from 3:15 – 6:00 p.m. every school day and on most weekdays when school is not in session. The children participate in many fun activities including arts and crafts, swimming, games and trips to community events. We have our own bus to transport the children. Contact the School office for information about fees and dates. For safety reasons, it is important that parents are aware of the how the program works.

- At 3:00 p.m., after being released from class, the children go to the playground. At 3:15 p.m. Lux Mundi After-School Care starts. Children who are still at the School without parental supervision after 3:15 p.m. will join Lux Mundi. Regular fees will be applied.
- There is a ‘homework club’ during After-School Care which is supervised and children in After School Care may take advantage of this opportunity to work on their homework.
- Parents collecting their children after 4:00 p.m. may use the intercom at the playground door, which will be answered from the After-School Care room, which is the kindergarten classroom.
- Parents may use the After-School Care service on a drop-in basis if necessary and will be charged a daily fee. Parents who use the service more than twice a week on a regular basis will be charged the full monthly fee.
- Children in After-School Care must stay with the supervising staff. They may not be in any other location on the premises unless they are participating in a supervised after school activity.

Arrangements For School Closure

In the event of the School having to be closed because of snow, power outage, etc. we will notify local radio stations as soon as possible. We will also post a notice of School closure on our website, www.cathedralschool.ca.

Please listen to the following radio stations for an announcement. They will specifically mention Christ Church Cathedral School.

CFAX 1070 AM The Q 100.3 FM The Ocean 98.5 FM CBC 90.5 FM

Parent Support Group

The Parent Support Group (PSG) is open to all parents/guardians of Christ Church Cathedral School students and is organized by an elected executive. The group's mandate is to help build community within the School by providing opportunities for family fellowship and fun. In addition, the PSG raises funds to purchase special items for the School and to support the bursary program. They also operate a phone call system through class reps to keep parents informed of upcoming events and volunteer opportunities. These reps communicate with parents by email. All parents are encouraged to attend PSG meetings.

Invitations

Part of our education in a Christian community is to teach sensitivity to others' feelings. Almost nothing is more divisive in the classroom community than one or two children being left out when a party is being planned. We ask that you be sensitive to this.

Volunteering

Participation by parents and friends of Cathedral School plays an integral and very important part in the operation of the School. Working together, we can provide the best education for the children and ensure the future of our School for generations to come.

There are several opportunities for parents and friends to participate in ways that reduce the stress on staff and improve the operation of the School, thereby maintaining relatively low school fees and providing a safe, secure, positive educational experience for the children.

However, we also understand that many parents do not have the time to volunteer and so, with the agreement of the Parent Support Group, we suggest that those who are unable to volunteer consider making a financial contribution to the School.

All regular volunteers must read and sign off on the School's Child Protection Policy. Regular volunteers must also agree to a criminal records check. Regular volunteers are defined as those volunteers who complete tasks that require ongoing presence at the School while the children are in session.

Christ Church Cathedral Junior Kindergarten

The Christ Church Cathedral Junior Kindergarten operates in the St James Mission at 520 Niagara St. in James Bay. We provide a preschool and daycare program with qualified staff, excellent facilities and appropriate equipment. Our Junior Kindergarten also embraces the same Christian tradition and principles as CCCS, making it an ideal stepping-stone to the School. Siblings of CCCS children will have priority in admission to the Junior Kindergarten if there is a wait list, but we do not offer any fee discount to siblings at the JK. In addition, we do not offer any priority admission to Kindergarten at the School for children from the Junior Kindergarten, except for siblings of children already in the School. Parents must ensure they place their child's name on the Kindergarten list at the school if they wish to enrol their child in Kindergarten.

Because You Asked.....

How can I help support the School?

- by providing financial support (Tax receipts are given for donations);
- by volunteering in the School and/or participating in the Parent Support Group;
- by becoming a life member of the Christ Church Cathedral Educational Society, or by joining on a yearly basis;
- by telling your friends and neighbours how much you appreciate the School and asking for their support;
- by remembering the School in your prayers.

Hours of Operation:

- Gate opens for before school care 7:30 a.m.
- Morning Bell 8:25 a.m.
- Instruction: 8:30 a.m. – 3:00 p.m.
- After school care: 3:15 p.m. – 6:00 p.m.
- Non-instructional Days Usually 4 days, to be announced each school year

Arrival and Departure:

Parents dropping their children off or picking them up by car are encouraged to enter the premises off Vancouver Street, let their children out or load them into the car and proceed to the exit onto Burdett Street **as quickly as possible**. If you are stopping for more than the few seconds it takes to discharge or embark your child, please find a parking space on a nearby street.

For the health of our students and staff, **please do not leave your car idling** by the playground.

Do not park in the drop off zone or in any of the reserved places on the precinct or in the spaces where the teachers park, closest to the School. We share the parking lot with the Synod Office and the Deanery Office. The people who work in those offices do not appreciate it when parents take their parking spaces. Please show your support for the larger School community by responding positively to a request to move your car. We also ask that you do not idle your car for more than a few seconds when you are picking up or dropping off your child.

We have a secure enclosure for bicycles in the playground. Bicycles can be secured when they are in the ‘cage’ and the cage itself will be secured at 8:30 a.m. and opened again at 3:00 p.m. All teachers and the School Office have keys that unlock the door to the bike cage. **The School is not responsible for bicycles that are stolen from or damaged while in the ‘cage’**. We strongly suggest that you do not leave bikes in there overnight and that you ensure they are properly and separately locked up during the day.

Children may enter the School through the Vancouver Street entrance or the playground entrance. Children arriving before 8:00 a.m. will go to the Gym where they will be supervised. Except for rainy days, children will be supervised in the playground between 8:00 a.m. and school start-up. Children are not permitted to leave the supervised area without the specific permission of a teacher or supervisor.

Children who are not participating in the *Lux Mundi After-School Care Program* (see page 25) are to be picked up by 3:30 p.m. at the latest. It is not possible for children to remain on the school property after 3:30 p.m. and not be a member of *Lux Mundi*.

Medication

If a student is required to take medication during the school day, parents must inform the School and fill out the required *Medication Administration Card*. The school will not administer any other medication.

Communicable Diseases

1. Common illnesses:

Common illnesses are defined as temporary illnesses associated with a high risk of transmission in a school setting, such as influenza, chicken pox, measles etc. Please keep your child at home until fully recovered and inform the teacher and the school office if your child is suffering from a common illness.

2. AIDS and Hepatitis B:

The School must be informed if a child has one of these conditions. The privacy of the infected individual and his/her family will be respected. Any student with a long-term communicable disease must have an individual health care plan.

In order to work to prevent the spread of common illnesses we have developed the following acronym:

WASH:

Wash your hands often and carefully with soap and water

Avoid sick people—stay at least two metres away.

Sneeze into your sleeve or a tissue, then throw the tissue away and/or clean your clothes.

Home is the best place to be when you are sick. Stay there until you are completely recovered.

Peanut Allergies

Because of the serious nature of these allergies **our School is a Peanut Free Zone**. In addition, several classes have students with specific serious allergies. Parents of children in these classrooms will receive notice about this situation and will be required to refrain sending foods that might initiate an anaphylactic reaction.

Smoking

It is against the law for anyone to smoke on the School grounds.

Privacy Policy

In accordance with the Personal Information and Privacy Act, the School has developed Privacy Policies for Parents/Students and for Staff/Volunteers. These are posted on the website and available in the School Office.

FEE PAYMENT POLICY

Tuition Agreement

The annual school budget is calculated by combining the fees paid for tuition with the amount received from the Ministry of Education as an operating grant. Based on this projected revenue we plan programs, School improvements, and hire teachers and support staff. These overhead expenses do not diminish with the departure of some students during the school year. When families register at Christ Church Cathedral School they agree to pay tuition fees as described on the registration form for that year. Families that do not live up to that agreement place an undue amount of pressure on the School budget.

Fee setting

Each year the Board of Directors will set the fees for the following year at a budget meeting in January and any increases will be published to the parent body as soon as the fees are set.

Categories and discounts

The two categories of fees are for Anglicans and non-Anglicans. Anglican affiliation is determined by a letter from the Parish indicating that the parents are active parish members.

Discounts are provided for families with more than one child attending the School.

Discounts are provided for the children of staff.

Discounts are provided for those families who pay the complete tuition fee in advance.

Registration and Re-registration

Parents applying for a place for a child for the first time are required to pay a \$50.00 non-refundable application fee.

Parents of currently enrolled students **must re-register their children by February 15th** if they wish to hold the seat in the class. After this date, the School will begin accepting students who are on the waitlist. The registration form for new students and the re-registration form for returning students must be accompanied by a \$225 non-refundable deposit, which is used to offset the first month's fees.

By the beginning of September, you must pay the balance of September's fees as well as all of June's fees. If your child is withdrawn during the year, June's prepaid fees will be forfeited, unless a refund is granted by the Board. This is reviewed on a case by case basis. If your child is not withdrawn during the year, those fees will be applied to the month of June, i.e., you will not have to pay any fees in June.

Please note the application deadline for students requiring a special education program is February 1st as described in the *Special Education Handbook*.

Fee Payment for School and Lux Mundi fees

Payment may be made in one single payment, which should be made by September 7th in order to receive the early payment discount of \$50.

Payment may be made in two payments, on September 7th and January 7th (post-dated cheque) in order to receive a discount of \$25.

Otherwise, payment for School fees *must be made* by pre-authorized debit from your bank account. This is arranged at the beginning of each year. The School will provide the necessary information and forms.

Lux Mundi fees (apart from drop-in fees) must also be paid in the same way as school fees, i.e. by pre-authorized debit. Drop-in fees will be invoiced monthly.

Withdrawal from School

Parents are responsible for payment of the tuition up to and including the final day of any month in the school year that my child has begun - i.e. if the withdrawal is effective January 10th, the full tuition for the month of January will be held by Christ Church Cathedral School.

Withdrawal at any time during the year means that the June pre-paid tuition will be forfeited.

Parents who wish to re-enrol a child at Cathedral School would have to re-apply and go through the new application/waitlist process. If to the School they will be required to pay the first-time student tuition rate, unless other arrangements have been approved by the Christ Church Cathedral Educational Society Board of Directors.

Withdrawal from Lux Mundi

If a family wishes to withdraw from full time Lux Mundi care we require two weeks prior notice.

Financial assistance (bursaries)

Christ Church Cathedral School is committed to assisting financially those families who might not otherwise be able to send their children to the School. This commitment applies to those families who have been attending the school for at least one year, as well as to those who have already been receiving assistance, or those families whose financial circumstances may change during the time that their children are attending the School. Grants of bursaries are made each year and families already receiving a bursary must reapply each year. Bursary applications can be picked up at the School Office from the beginning of February and should be sent to Apple Financial (details on the form) by the indicated date. The Bursary Committee of the Board will inform bursary recipients as soon as the forms are returned from Apple Financial. However, families in need of assistance can apply for bursary assistance during the course of the year. In this case, please speak with the Head of School.

The School's bursary program is strictly confidential. There are two requirements to which we ask bursary recipients to agree:

1. should your circumstances improve such that you no longer require a bursary, you must inform the School.
2. bursary recipient families are required to volunteer their time and talent to the school community and provide annual documentation of their involvement.

Overdue accounts

We request that parents who anticipate difficulty in paying the fees contact the School office at the earliest opportunity. That way we can discuss the situation and work out a solution.

A phone call will be made to those parents whose accounts are one week overdue. Immediate payment of the overdue amount will be requested.

If an account is in arrears at April 30th the child will not be offered a place at the School for the following year.

UNIFORM

All students at Christ Church Cathedral School are required to wear the school uniform consisting of:

The following are **not** to be worn to school: Makeup, jewellery - except watches or medical alert bracelets, earrings - except for those with pierced ears who may wear studs.

Hair colour must be natural—no pink, green, purple, blue etc. dyed hair.

All uniforms must be complete and kept clean and repaired. Gym strip should be taken home once a week to be washed. The parents of students who do not wear the correct uniform will be notified and asked to ensure their child's compliance with the uniform regulations.

For details concerning the purchase of uniform items, please contact the School Office in person or by phone at 250-383-5125. When the Cambridge Uniform online ordering system is up and running, you will be asked to order directly.

From time to time during the school year we may have a ‘mufti day’ when children may wear their own clothes to school. The guidelines for dress on those occasions are as follows:

- No muscle shirts
- No bare midriffs
- No halter-tops or spaghetti straps
- No short shorts or excessively short skirts
- No underwear showing
- No offensive slogans on T-shirts

During cold weather, students may wear a coat or sweater while playing outside.

We ask for the support of parents in making sure that their children are wearing the correct uniform. A three step process is in place:

1. A request from the teacher to the student to appear in the correct uniform on the next school day.
2. A “Uniform Slip” sent home with the student to enlist the parents’ help in making sure they are wearing the correct uniform.
3. The parent will be called to take the child home to return wearing the correct uniform, or to bring in the correct item.

PLEASE LABEL ALL UNIFORM ITEMS!
