

Christ Church Cathedral School Newsletter

January 12, 2017

Dear CCCS Parents & Guardians,

This wonderful sunshine seems to buoy everyone's spirit and leaves us with such a sense of optimism and focus here at school. With **epiphany** just behind us, we are embracing life's promise and are grateful for each and every day in our beautiful school. With the middle school ski trip next week and gymnastics and volleyball kicking off the following week, our students have many exciting opportunities coming up.

Speaking of things to look forward to . . . you may recall that our students helped develop the design of a playground that will be installed in the new park on the Courthouse lawn. Well, I just learned that the playground equipment has been purchased and the work on the site will begin as soon as next week! Installation of the playground equipment is planned for the end of February, give or take a week or so. It promises to be a welcome amenity for the neighbourhood; catering to all ages and abilities. We will put out a call for volunteers to help with the installation once we have a firmer timeline.

Yours,
