

Christ Church Cathedral School Newsletter

June 22, 2017

Dear Parents & Guardians,

What a wonderful closing ceremony! Congratulations again to our graduating class of 2017. Eighteen outstanding students who are well prepared for their future, in part due to their foundational years at CCCS. We will miss you all!

I need to let you know about one more staff change for next year. Whitney Hochhalter, our librarian and middle school art teacher, will be taking a position at SMUS. Whitney told me this was a very difficult decision to make; she loves Cathedral School and has really enjoyed working here for many years. SMUS is the school she graduated from and she has worked there from time to time over the years, so it is a bit of a homecoming for her. Whitney and her family want to stay connected with our School community and she is hoping that her daughters can continue to attend. We wish her the very best in her new position.

Summer Camps: There is still time to sign up for Tech Camps. Details on the website: <http://cathedralschool.ca/programs-admission/tech-camps/>

Bottle Depot collections: Thank you all for the donations to the blue bin. We had another successful collection this week to help raise funds for the French trips. You can keep dropping off your refundable containers all summer long, and next year too.
